

Hilfield  An Advent Quiet Day on
FRIARY Saturday 1st December 2018

Led by Br Clark, Hilfield Guardian

 See it,  Say it!,  SORT IT

During this Quiet Day we will work on our watchfulness skills — opening our eyes to see God's presence and healing, prophetic work among us. God calls us during Advent to live generously and compassionately in a world that sometimes frightens us, preparing our hearts to welcome and re-commit to the life and ministry of Jesus, the Prince of Peace.
